**POSTERS**

**2022-2024**

**The Punk Picnic** is a semi-regular gathering in St Stephen's Green in Dublin. The first picnic was held in October 2022, inspired by the Galway Punk Picnic. The next one will be held on the 26th of October, 2024.

The *Dublin Union of Punks* picks the date & advertises the picnic, but everyone is invited to come & take part. The *DUP* acknowledges that there have been similar gatherings in Stephen's Green since the 70s. We weren't the first & we won't be the last.

The posters & flyers collected in this zine were designed by Mal, with contribution from Fianna, Onyx & Len. All proceeds from this zine will go into the *DUP* fund.
